Invitation to apply for equality stimulus funding - financing of visiting professor of the underrepresented gender

Background

The University's stimulus funding for equality measure in the form of financing of visiting professor of the underrepresented gender, stems from efforts to achieve a more equal gender distribution among Lund University's professors. Even the fixed-time appointment of a visiting professor of the underrepresented gender can create a positive effect regarding gender equality. The symbolic significance of a visiting professor of the underrepresented gender sets an important example to the career prospects of students, doctoral students and teaching staff.

The University's stimulus funding for equality measure in the form of financing of visiting professor of the underrepresented gender is allocated yearly. This invitation regards the allocations for funds for the period 2023 - 2024.

Faculties/equivalents at Lund University can apply for funds for the appointment of a proposed visiting professor of the underrepresented gender. The maximum of funds is SEK 2 million per proposed visiting professor. In cases where an environment has a very uneven gender distribution, funds can be granted for two visiting professors for the same environment.

Apply by **January 31st, 2022.**

Conditions

A requirement for granting the funding for a visiting professor according to the above is that the proposed visiting professor is **employed as a professor** (in accordance with the requirements of the Higher Education Ordinance and internal guidelines of Lund University) at a higher education institution other than Lund University. If this requirement is not fulfilled the faculty must show that the candidate **meets the requirements** in the Higher Education Ordinance and Lund University internal guidelines for appointment as full professor. Only a statement from the Faculty recruitment board, certifying that the requirements are filled, will be accepted.

Please note that it is only possible to employ a visiting professor for a maximum of 5 years within Lund University. In case the candidate already has reached the five year maximum of employment as a visiting professor within LU, it is not possible to prolong the employment. It is therefore not possible to apply for the funding.

The visiting professor is to be of the underrepresented gender in the environment¹ that the professor is to be active. You need to state clearly how the professor can help can serve as a role model to students and staff and students of the underrepresented gender in the relevant subject.

Application requirements

The application is to be made using the form available [here](#).

For an application to be processed, you need to clearly present the following information in the proposal:

- That the candidate is employed as a full professor at another higher education institution, in accordance with the Higher Education Ordinance and internal Lund University guidelines,
- Or, if that is not so, include a certificate by the Faculty's recruitment board stating that the candidate satisfies the requirement for appointment as a full professor, in accordance with the regulations.
- A presentation of the candidate's research and teaching qualifications as well as other qualifications of importance for the work and study environment, including a complete CV
- Planned duties
- Applied amount,
- Cost calculation
- Starting date/s and duration of the stay/s at Lund University
- Percent of full time (up to 100 %) for the employment period
- Contact person for the application (at the department/equivalent)
- In what way can the professor act as a role model to employees and students of the underrepresented gender in the specified subject/department/equivalent research and teaching?
- A justification of why this workplace in particular has a need for a visiting professor of the underrepresented, if the workplace is considered to be same-gender² or moderately gender integrated?
- Signed by the contact, the Head of department and the Dean of Faculty

Send the complete application (using the application form) by email to radetjol@hr.lu.se, by January 31st, 2022, at the latest.

Follow up

¹ "Environment" refers to research, teaching, a subject, faculty, department

² The term same-gender is commonly used when 80 % are of the same gender. If the ratio is 60–79 % of the same gender, the term moderately gender segregated is used, and if the ratio is 40–59 % it is deemed to be gender integrated (Dahlerup, Drude 2010, Jämställdhet i akademien: en forskningsöversikt [Gender equality in academia: a research overview]. Stockholm: Delegation for Gender Equality in Higher Education.)

A financial report and a short evaluation is to be sent to radetjol@hr.lu.se by the principal applicant, after the end of the visit.

The visiting professor's impact is to be documented continuously in the organisation's equal opportunities report. More information about the equal opportunities report can be found [here](#) (in Swedish).

The report on the initiative will be followed up by the Council for Gender Equality and Equal Opportunities, which reports to the vice-chancellor and the vice-chancellor's Management Council.

Apply by January 31st, 2022

Send the complete application (using the application form) by email to radetjol@hr.lu.se, by January 31st, 2022 at the latest. Mark the application and relevant attachments with the proposed candidate's name and the reg. no STYR 2021/1792

Questions

If you have any questions about the application or interpretations of the invitation, please send them to radetjol@hr.lu.se.

Processing of applications and decision on allocation

The vice-chancellor decides on the allocation of funds after the Council for Gender Equality and Equal Opportunities has handled the applications. The decision will be made in April/May 2022.

Next call for applications

Provided that the University Board will allocate stimulus funding for equality measures for the upcoming year, a new call for applications will be issued in October 2022.
