P O Lundells fond för jordbruksstudier
(99005)

The foundation is hereby accepting applications for the following grant.

Purpose: grants for scientific studies in "subjects relating to agriculture and animal husbandry including the sciences most closely associated with these fields". Grants are awarded "primarily to junior researchers for commendable work or to enable investigations from which valuable results can be expected".

Amount: SEK 200 000

Decisions on allocation are taken by the board of the Faculty of Science.

Application
Applications for research grants from the foundation are to be made via the Lund University application system for scholarships and grants. A link to the application form is available via:

http://www.staff.lu.se/research-and-education/research-support/travel-and-research-grants/other-grants-and-scholarships

The application, together with a CV of minimum one page and any other relevant documentation, must be submitted via the application system no later than 21 March 2019.

Disbursement
Disbursement to persons employed at Lund University/other higher education institution will be made to the applicant’s department. Where applicable, the application is to include the department’s overhead costs. It is appropriate to include these under the heading ‘other costs’. In such cases, the costs stated in the application are to exclude VAT.

In cases where, in accordance with the statutes of the foundation, grants can be awarded to organisations outside Lund University/other higher education institution or to students directly, the disbursement will be made to a personal bank account or equivalent. In such cases, the costs stated in the application are to include VAT.

Ex officio
