Application

Instructions and an application form are available on Lund University’s scholarship pages:

http://www.staff.lu.se/research-and-education/research-support/travel-and-research-grants/faculty-travel-and-research-grants

The application is to include a brief but precise statement of the purpose of the trip and its significance for the applicant’s research. If a letter of acceptance has been received for participation in a conference, this should also be attached to the application.

The application is to be submitted on 17 September 2020 at the latest.

Decision

The decision on allocation is taken by the board of the Faculty of Law.

Payment

All grants should be ordered on the order form found in conjunction with the granted application.

Payments to employees of Lund University are made to the applicant’s department. Where applicable, the application should take account of the department’s additional overhead costs. It is appropriate to include these under the heading “other costs”. In such cases, the costs stated in the application are to exclude VAT.

In cases where, according to the statutes of the foundation, grants can also be awarded to activities outside Lund University or to students, and such applications are approved, payment is made to a private bank account or equivalent. In this case, the costs stated in the application are to include VAT. All grants must be ordered. The last day for using the grant is 30 June 2022.
If the funds have not been used for the purpose for which they were allocated within the timeframe decided, they are to be repaid.
