Travel grants for the academic year 2019/2020 for developing collaborations within the Erasmus+ programme

External Relations hereby invites applications for European travel grants of a maximum of SEK 8000 each for employees at Lund University in the academic year 2019/2020.

These travel grants are to be used for:
- Trips to already established partners within the Erasmus+ programme for evaluating and developing the collaboration.
- Trips to networking events with partner universities within the Erasmus+ programme.

Purpose
The purpose of all trips shall be to discuss, develop and plan student and staff mobility within the Erasmus+ programme, but also to further develop collaborations, such as curriculum development projects. Therefore, the grants are only awarded to countries and higher education institutions that are part of the Erasmus+ programme. *Priority will be given to trips that aim to increase the number of outgoing Erasmus students, and for curriculum development projects.*

Who can apply?
Employees at Lund University who are working to promote collaborations within the Erasmus+ programme can apply for the grant. Applications are to be made individually. In the selection, priority will be given to applicants who have not previously received an Erasmus travel grant. Individual applicants and applications with a maximum of two participants are given priority over groups. We strive for a balanced distribution of grants between different areas.

How to apply
Applications are to be made online, available at [https://www.staff.lu.se/research-and-education/international-opportunities-and-partnerships/funding-mobility/erasmus-travel-grants-within-europe](https://www.staff.lu.se/research-and-education/international-opportunities-and-partnerships/funding-mobility/erasmus-travel-grants-within-europe).

When to apply
Applications are received and granted as long as the funds are sufficient during the academic year 2019-2020, starting 1 June 2019.

The trips can be made until 30 September 2020 (return date) and can also be applied for retroactively for the current academic year.
