Equality stimulus funding - financing of visiting chair of the underrepresented gender

Faculties/equivalents at Lund University can apply for funds for the appointment of a proposed visiting professor of the underrepresented gender, for the period 2021-2023. Even the fixed-time appointment of a visiting professor of the underrepresented gender can create a positive effect regarding gender equality. The symbolic significance of a visiting professor of the underrepresented gender sets an important example to the career prospects of students, doctoral students and teaching staff.

A special form has to be used for the application. Send the application no later than 29 January, 2021, to jol@hr.lu.se. The decision on funding will be made in April/May 2021.

Read more and get the application form at: https://www.staff.lu.se/organisation-and-governance/vision-objectives-and-strategies/gender-equality-and-equal-opportunities/funding-for-equal-opportunities-initiatives

Send any questions regarding the invitation, application form or the funding to the council for gender equality and equal opportunities at: jol@hr.lu.se
